Butch Davis
Walter Barnhardt
Kevin Lilly

Members Absent

Les Bronson
Keith Rankin

Staff Present

Ellen Norvell – City Engineer
Lanny Leder – Public Works Director
Rick Perkins – Engineering Tech

Guest

Justin Smith

The Sherwood Street Committee met for their regularly scheduled meeting on January 12, 2010. Butch Davis called the meeting to order.

Les Bronson made a motion to approve the minutes of the last meeting. Kevin Lilly seconded the motion. The ayes carried.

Ellen Norvell gave an update of the Brockington Road project. She said it might be April, possibly June before the first phase is complete. She said the hwy. dept. contract has a shut down date for a certain period of time and that is the schedule the contractor is working by. She said bids open January 20th for the second phase.

Lanny Leder said leaf vac ends on January 31st.

Kevin Lilly asked if the city had a list of streets for improvement. Ellen said there is a list that needs to be updated. She said funds are not available currently for repairs but we would keep the list up to date because we are hoping to have the funds in 2011. She also mentioned how important the 2010 census is to the city because of the govt. funds we could qualify for.

Walter Barnhardt asked about the light at Trammel. Ellen said it was burned up and we are waiting on parts. She said floodwater was the cause. She said the box is going to raised about 2 feet when the box is repaired.

There being no further business, Walter Barnhardt made a motion to adjourn. Kevin Lilly seconded the motion. The ayes carried.

ATTEST:

Barbara Monroe

Butch Davis, Chairman
